design A

Engineer Grade

ORALITE® 5510

Glass bead reflective film designed for production of traffic signs for long-term outdoor exposure.

Product benefits include:

- Weather proof
- 7 years outdoor durability
- Alkyd resin surface
- Compliance to EN 12899-1
- Class RA1, design A
- CE certified
- Excellent printability (Screen printing with ORALITE® 5018)
- Lettering film: We recommend ORALITE® 5071
- Transparent film: We recommend ORALITE® 5051

The material is also available without a watermark (ORALITE® 5500)

The material is strictly intended for adhesion onto even metallic surfaces, such as aluminum and galvanized steel.

ORALITE®

Engineered to Save Lives™
